

Starting your meeting with Zoom

1. Either start the meeting and claim host (see shortcut below) or login with the email and password.
2. Change your user name (Step 5 below)
3. Turn on “Live Transcript (Step 6 below)
4. When ready – start recording (Step 6 below)
5. You can also make someone a co-host (Step 8 below)

SHORTCUT: Start by Clicking on the Zoom link in your classroom	
<p>1. When you click on the link, Zoom will open showing you as an icon with your Zoom room number.</p> <p>On the right, at the bottom (see red arrow), you will see a button to “Claim Host”</p> <p>2. If you don’t see the participants list, click on the three dots above “More” (see orange-yellow arrow & circle)</p>	
<p>3. Type in your host key: 537537</p>	
<p>4. Click on the “Claim Host” button at the right</p>	

<p>5. To change your name, after you claim host, highlight your name, select More, Rename</p>	
<p>6. To turn on captions (Live Transcript) Select the “More” option from the primary bottom toolbar (as shown in #3 above). Chose “Live Transcript”</p> <p>7. To Turn on Recording Select the “More” option from the primary bottom toolbar and select “Record to the Cloud” (or use the shortcut Alt+C)</p>	
<p>8. Make a Meeting Attendee a Co-Host</p>	
<p>To make a meeting attendee a co-host during a meeting, you can either click the 3 dots that appear in their user video and then click Make Co-host or hover over their name in the participants window, click the More option, and then select Make Co-host.</p>
